# JUGGLER IS DISQUALIFIED

FINISHED FIRST IN THE HARLEM STAKES BUT INTERFERES WITH GRAPPLE.

Keene at Last Uncovers What Seems a Good Two Year-Old-Berkeley Easily Scores from

Rifleman-Colin's Trial.

New York, May 18.—Juggler, first in the Harlem Selling Stakes, the program feature of today's racing at Belmont Park, was disqualified for fouling Grapple in the final quarter, the race going to the latter. Juggler began slowly, as his custom, and was not a factor in the running until well in the stretch. Here he came fast on the outside after Spooner and Arasee, the pacemakers, had quit and Rye had momentarily taken the lead. Shaw started to bring Grapple up between Rye and Juggler, when Juggler swerved, bunping Grapple and throwing him against the fence. Rye also was interfered with and Juggler went on to win by three lengths. Shaw was quick to claim a foul, which was allowed, after McDaniel, who rode Juggler. Garner, who rode Rye, and the patrol judge had been interviewed. Shaw was thrown against the fence with such force as to bruise his ankie and leg, the ankle being pretty badly swollen when the day's racing was over. The disqualification was popular, as Grapple was well backed, while Juggler receded in the quotations, although there is little question he is the better horse.

In speaking of It afterward Shaw said that Grap-

In speaking of it afterward Shaw said that Grap-ple would surely have given Juggler a race, but in bis opinion Juggler was best. The race proved that Spooner is a sprinter, pure and simple. In some of his former races it appeared that one mile was his limit, but after today's showing this will have to be cut to seven furlongs or less. He was favorite, and, with Arasee, which was well backed, stopped short at seven furlongs. with Arasee, which was well backed, stopped short at seven furlongs.

either.

Interest in the Withers Stakes, the first of the big three-year-old specials, which will be run Saturday, was made apparent today by Colin's work for the race at Sheepshead Bay. The champion went one mile in 1:39\(\frac{3}{2}\). The fractions were 12\(\frac{7}{6}\), 24\(\frac{7}{6}\), 36\(\frac{1}{6}\), 49, 1:02, 1:14\(\frac{3}{6}\), 1:27. The work was done in thoroughly satisfactory manner. Peter Quince accompanied him for six furlongs. Unfortunately Hessian is not in the Withers, but there are a number of good horses eligible and it is the present intention of Sam Hildreth to start Uncle.

H. R. Brandt, trainer for Barney Schreiber, will ship Donna to Woodlands Farm to rest up. She will probably be raced again next winter.

"Frisco" Gardner and Ed Austin leave tomorrov for Toronto and will book on the northern circuit.

# LOUISIANA RACING AND LEGISLATION.

Louisville, Ky., May 18.—T. C. Anderson, a member of the Louisiana legislature, here on a visit, says that the turf situation at New Orleans is not nearly so ticklish as has been represented in some quarters. He says that legislation curtailing some of the abuses in evidence on Louisiana tracks is a foregone conclusion, but that the big tracks will not be molested. One hundred days of racing next winter seems to be the general desire in that part of the country, acording to his notion.

# OWNER GOODE'S SPORTSMANLIKE APOLOGY.

New York, May 18.—When Personal won a race on Thursday she was boosted by J. C. Goode, owner of Lucille R., which ran second, so that it cost James McLaughlin an increase of \$750 to keep his filly. Goode thought the matter over and decided that he had done McLaughlin an injustice. So he paid over to the latter the entire amount of the run-up and said that he would not have bid the filly up if he had not been hot under the collar because his own filly was defeated.

OAKLAND RACING PROVES FEATURELESS. KING'S COLT PERRIER A LATE FOAL. Native Son Prevails Over Fast Sprinters in the Main

Race of the Day.

Oakland, Cal., May 18.—The Atlantic battleship fleet weighed anchor and left for Puget Sound ports this morning. With its departure normal conditions were resumed locally. Wet weather and consequent muddy track conditions, combined with a very moderate card of six races, had the effect of deterring many of the race-goers from making their daily pilgrimage to 0akland and in consequence there were fewer spectators present than at any time this winter. The best class of horses engaged during the afternoon participated in the five and a half furlongs sprint, fourth on the card. Native Son, a receding third choice in the betting, ridden by A. Walsh, displayed marvelous improvement over his two preceding races, seoring a fast and unexpectedly game victory over Entre Nous, College Widow, Belle Kinney and four others over a slow and for him supposedly unfavorable track.

Hannah Louise, in the second race, and Remember in the sixth, were the only two favorites to materialize. Walter Miller rode the last named in masterly fashion. The Dinkelspiel-Doss confederacy, who are said to have won considerable on M. A. Dodge's mare, proceeded to make their triumph complete by bidding her up and acquiring her for \$1,000.

Walsh and Miller shared equally in today's saddle successes with two winning mounts each. The Applegate lightweight is one of the comers of the season as a jockey.

season as a jockey.

The crack lightweight jockey, Clifford Gilbert, has gone to New York and on his arrival will report to James Rowe, trainer for James R. Keene.

#### THIRTY LEADING JOCKEYS.

Nine was the high mark for winners ridden last week, W. Kelly, at Oakland having that number to his credit, which advanced him from seventeenth to eleventh position in the ranks of the thirty leaders. V. Powers, at Louisville and E. Dugan, at Belmont Park, piloted eight each, while Notice; at Belmont Park, scored six during the week. The standing of the thirty leading jockeys from January I to and including the racing of May 16, is as follows:

# UNITED HUNTS DECORATION DAY RACES.

New York, May 18.—The program for the United Hunts meeting to be run at the new track just outside of Belmont Park on Decoration Day is out. The races will be run in the morning, beginning at 11 o'clock. The first event is the Clark Cup, a steeplechase at about three miles and a half, over a natural hunting country course. The second race is the Timber Toppers Hurdle Plate, at about two miles. The third race is the Decoration Day Stakes, a handicap steeplechase, at about two miles and a half. The fourth event is the Hunt Cup, at about three miles, while the last race is the La Montague cup, gentlemen riders, one mile on the flat. New York, May 18.—The program for the United

# ENGLISH VETERANS STILL TRAINING.

The veteran English trainer William Day, is the oldest owner and trainer of a Two Thousand Guineas winner, but while Alfred had the mount in the latter on Promised Land in 1859, "Our William," as the veteran was for years familiarly termed, rode him when he was fourth at Epsom to Musjid. The oldest living jockey, therefore, to ride a Two Thousand Guineas winner is John Osborne. In 1857 he won it for the late Lord Zetland on Vedette and has since piloted five others, viz. Pretender 1869. Bothwell, 1871, Prince Charlie, 1872, Camballo, 1875 and Ayrshire, 4888.

# EASTERN SCOUT TO WATCH MUTUELS.

Louisville, Ky., May 18.—Chris J. Fitzgerald, oresident and manager of the Brighton Beach Racing Association, is in attendance at Churchill Downs to witness the racing and observe the workings of the mutuel machines and auction pool selling.

Sea Sick II. to Start in French Derby-Turf New

From Other Lands.

London, Eng., May 4.—It is not generally known that the King's colt Perrier was only really a two-year-old up to this week, being a May foal, so that there is every chance of his fining off a very great deal yet, and of becoming a great horse.

After all, it seems, Sea Sick II, is to run in the French Derby (the Prix du Jockey Club) on Sunday, May 31.

The French "Guineas" were decided at the Paris meeting May 2, the One Thousand Guineas being won by Count Le Marois' Sauge Pourpree, a daughter of Perth, and the Two Thousand Guineas by M. M. Ephrussi's Monitor, by Codoman. Stern, the French jockey, rode both winners. Mr. Vanderbilt's Northeast was second to Monitor.

Sceptre, now on a visit to Carbine, last week foaled a fine bay filly, the sire of which is Isinglass.

The Austrian and Hungarian Jockey Chubs are adding to their rules of racing certain dispositions respecting trainers and turf speculation. Hitherto they have been forbidden to back other horses than those under their care and in their stable. In the future, they will only be allowed to back horses in their charge through the medium of their respective owners or the authorized managers of stables. Consequently they are placed on the same terms as jockeys.

The French four-year-old, Quadi Halfa, by Persimmon, out of Yesterling, has arrived at Hornsby's stable, Rottingdean, Eng., to be trained. The colt will be remembered as the winner of the French Two Thousand Guineas and other races in the colors of M. E. Blane last year.

The Belgian Derby (Prix de Bruxelles) was decided yesterday, the Matron horse Marron winning from Lieutel and La Nivernais. There were eight starters. The winner is the property of Viscount de Buisseret, and it was the general opinion that Marron did not show his true form in his last important race, the Poule de Produits, in which he was knocked about a great deal. He was fully expected to do better in this event, and justified his owner's confidence by keeping the spoils from going across the frontier by the aid of the French horse Lieutel, which had to concede the winner 14 pounds as a native breeding allowance.

At an important sitting of the race Committee of the Societe d'Encouragement, or French horse Lieutel, which had to concede the winner 14 pounds as a native breeding allowance.

At an important sitting of the race Committee of the French turf might have the same opportunity for rest as the English horses which ran at Epsoyl and then elected to keep their engagement in the Grand Prize of Paris. The proposition, which has been before the Jockey Club for years past, was ably supported by one of the stewards. It was, however, thrown out by a majority.

The thoroughbred stallion Thunderbolt, by Musket, has died at Mount Gambier, Australia. For many years he was attached to the Fulham Park Stud, and nearly everything he got won races. Among others his progeny include Step Out. Thunder Queen, Thunderer, Equality, Tip Top and Phaedra.

# MILLSTREAM STUD FOALS ARE MANY.

New York, May 18.—Andrew Miller and Francis C. Bishop have received word from Millstream Stud that there are nineteen foals, and two mares are to foal in a few days. The mares to foal are Weknowit, the dam of Merry England, and Geranium, a daughter of Lazzarone, which raced creditably a few seasons back under the silks of Thomas C. McDowell, of Lexington. Following is a list of the foals to date:

Flirtineer, a colt by Sempronius. Pensa, Pond Lily and Agnodice, colts by Hand

Pelisa, Folia Ling and Care Gumbert and Spring.
Purity, Musette, Candle, Grace Gumbert and Shaft, colts by Adam.
Virgin Soil, Careta, Disadvantage, Sparkling, Wild Thyme and Twitter, fillies by Adam.
Duenna, a filly by Disguise.
Content, a filly by Voter.
Lady Slavey and Miss Maxim, fillies by Hand-

Jennie McCabe, a colt by Wild Mint.

Jennie McCabe, a colt by Wild Mint.
Some of these youngsters are well connected. The
Candle colt is a half-brother to McCarter, winner
last season of the Cosmopolitan and Saratoga Handicaps and this year of the Excelsior. McCarter is
the best horse in ble Newcastle Stable.
The Miss Maxim filly is a half-sister to the celebrated Golden Maxim, the pacemaker for a mile and
a half in the fastest Lawrence Realization ever run
and a successful young stallion at H. T. Oxnard's
Blue Ridge Stud. Golden Maxim is the sire of Preceptor and Royal Captive, respectively the fastest
colt and the fastest filly Thomas Welsh has uncovered.

colt and the lastest my January and the lastest my January and the lastest my January and the valuable three-pear-old races of 1902.

Twitter is a half-sister to Merry Lark, the first horse with which Welsh won an Excelsior. The foals by Adam, according to Mr. Miller, are an exceptionally prepossessing lot. The big French horse gets size and substance and his progeny are healthy and vicenous.

# BROODMARE REFLECTION KILLED BY FALL

Lexington, Ky., May 18.—Julius Bauer's famous seventeen-year-old mare Reflection met an untimely death by falling Into a sink hole while grazing in a field at the Kenmore Stock Farm. She was by Zorilla and was the dam of a number of stake winners, including Reina, winner of the Brooklyn Handicap in 1902. She was also the dam of Battleford, by G. W. Johnson; Martin Burke, by Kingstock; Judith Campbell, by Esher; Moharib, by Esher, Kiamesha, by Esher; Reflector, by Previous and Palmarian, by Mesmerist. She was valued at \$8,000 by her owner.

RAIN SPOILS THE GOING AND CAUSES SMALL ATTENDANCE AND WITHDRAWALS.

Coal Black Lady Wins the Steeplechase Through Mischances to Others-Dainty Dame De-

feats Al Muller with Ease.

Louisville, Ky., May 18.—Threatening weather and a featureless card affected the attendance today, which was the smallest of the meeting. The speculation was light and the sport of poor quality. The heavy rain of last night and early morning showers caused the track to become heavy, and as a result many withdrawals were recorded. Holtman's efforts at the barrier were far below his usual form. In four instances he dispatched the fields away in straggling order. His worst start came in the second race, where only six started and in which he allowed Al Muller to beat the barrier almost a half-dozen lengths.

The steeplechase over the short course was intended as the feature race. It furnished an interesting contest until at the last obstacle, where four of the starters went down in a heap. The mishap enabled Coal Black Lady to win as her rider pleased from the timidly ridden Charfield. Dario, far back, gained third place in advance of Impertinence. In the early running Coal Black Lady, Percy Green and Exact were about to pass into the lead when Percy Green made a bad landing and, falling, caused Magic and Jason to tumble over him.

Servicence, Dainty Dame, E. M. Fry and Quagga, all heavily backed favorites, had comparatively easy times in landing their respective purses. Dainty Dame, in her race, had to be much the best to win, as Al Muller, with his big advantage at the start, appeared a certain winner after establishing a long lead in the first quarter. He tired badly in the stretch run and allowed the filly to come on and win as her rider pleased.

E. M. Fry, running to his best form, spreadagled his opponents in the third race. Banrida, after leaving the post last, slosed a big gap and took second place after a sharp drive to ontstay Lignando. Miller Henderson, formerly trainer for Ed Alvey, bid up E. M. Fry \$900 over his entered price of \$800, but failed to get him.

Mrs. Sewell won the fifth race by virtue of the poor riding of Burton on Alice and Franklin on Serenade. Burton took Alice up after the start an

Jockey J. Lee departed this morning for New York to begin service with his new contract employer, Fred Forsythe. It is said that his contract calls for the payment of \$1,000 a month besides the usual jockey fee.

C. J. Fitzgerald, general manager of the Brighton Beach Racing Association, was a guest of M. J. Winn yesterday. Mr. Fitzgerald while here, inspected Churchill Downs and Douglas Park. Before departing for Memphis, be stated that the racing situation in New York will not be disturbed by adverse legislation this year.

James Blute will arrive here tomorrow from New York with a dozen horses owned by W. Gerst. In the string are Zal and Halket. The latter is a certain starter in the Latonia Derby.

Secretary E. W. Maginn arrived yesterday to confer with John Hachmeister and returned last night to St. Louis, Mr. Maginn announced that improvements are being rapidly rushed at Fort Erie under the direction of track superintendent Billy Myer. Weights for the Louisville Steeplechase were announced by Secretary Davis this afternoon. There are thirty-seven entries and Sam Hoffheimer is given the top impost of 172 pounds.

WHY BELMONT PARK BETS WERE CUT.

# WHY BELMONT PARK BETS WERE CUT.

New York, May 18.—It was in response to a general public demand that the layers in the big ring at Belmont Park Saturday decided to accept \$2 wagers in future. The rule went into effect before the first race, and the crowd became aware of the news when the chalkers announced in loud tones that they would accept such wagers. It appears that when the layers put the \$5 rule into effect, that is to say, no bet of less than \$5 to be accepted, they thought that they would help the game by keeping the so-called impecunious from speculating. But as time passed they learned that there was much opposition to the plan, even from those who could well afford to bet ten times that amount. So many requests were received by the layers at Jamaica to reduce the limit to the old figure that they decided to go back to first principles yesterday. "The fact that a majority of the bettors in the big ring do not care to wager more than \$2 to a race," said a leading layer, "is pretty good proof that the \$5 rule was unnecessary and that so-called race track gambling is not such a terrible thing after all."

# AUSTRALIAN METHOD OF PAINLESS DEATH.

An Australian veterinary surgeon, Arnold Ferry, states that he has discovered a means of destroying any animal instantaneously and painlessly by subcutaneous injection. Ferry operated on a horse recently, and before the needle had been released the animal was dead. Such a painless and quick way of dealing with injured horses should prove of immense advantage on the racecourse and in city streets.

# HAYDEN WINS THE GREAT JUBILEE.

London, May 18.—The race for the Great Jubilee Handicap of \$15,000, for three-year-olds and upward, one mile and a quarter, was run at Kempton Park Saturday and was won by A. F. Basset's Hayden, a bay colt by Ayidity—Langour. William Clark's All Black was second and George Faber's Malua was third. The betting was 10 to 1 against Hayden, 5 to 1 against All Black and 9 to 2 against Malua. Twelve horses ran.

# FORSYTHE GETS JOCKEY J. LEE.

Louisville, Ky., May 18.—Fred Forsythe has se cured jockey J. Lee's consent to go to New Yorl and ride the Forsythe horses on the metropolitar tracks this season. The rider will depart early this week. He will affix his signature to a contract be fore departing for New York.

She finished far back unplaced and the wager lost.

Winner—B. f, by Belle's Commoner—Gliding By (trained by R. P. Brooks).

Went to post at 2:59. At post 3 minutes. Start fair. Won handily; second and third driving. Gliding Belle, after racing close to the leaders from the start, outgamed Wildpigeon in the final drive and was going away at the end. Wildpigeon set the early pace and finished gamely, but tiring badly. Lady Irma ran a good race and hung on well at the end. Font finished resolutely. Cavalieri closed a big gap. Soil showed speed, but quit. The Pippin swerved across the track at the start and was practically left at the post.

Winner—Ch. g, by Dieudonne—Carness (trained by D. Woodford).
Went to post at 3:28. At post 2 minutes. Start good. Won easily; second and third driving.
Berkeley went to the front at the start and, setting the pace fast, was never afterwards seriously menaced, shook off Oxford when he challenged at the head of the stretch and drew away when called on.
Rifleman ran close up throughout and finished resolutely, but never threatened the winner. Oxford ran in quickly improved form. Dandelion showed improvement, but did not race kindly. Welbourne showed speed in the stretch, but could not get up. The others were never contenders.

Winner—B, g, by Woolsthorpe—Embrace (trained by F, D. Weir).

Went to post at 3:55. At post 2 minutes. Start good. Won easily; second and third driving. Juggler was crowded back on the first turn and outrun on the backstretch, but came around on the outside in the stretch, but bore in slightly on Grapple and Rye and for this was disqualified. Grapple, never far from the front, finished gamely under a drive, but at the end crowded Rye badly. Rye seemed the winner a furlong from home when he was crowded to the rail by Grapple. Spooner set the early pace and fan out on the stretch turn. Arasee quit badly after chasing the early pacemaker. The winner was entered for \$1,500; no bid.

Dorante was pinched off twice in the early running and lucky to find his way through next to the rail
in the stretch, but in a long drive outgamed Big Chief. The latter was always a forward contender,
finished resolutely and with a stronger ride might have won.

Jubilee lost ground on the stretch turn

early speed. Mazuma showed speed, but was quitting at the end. Miss Marjorie was never a con-

Rara Avis, speedy and never far from the pacemakers, stood a long driving gamely and was going away at the end. Frizette ran well and finished resolutely, but did not seriously threaten the winner. Harcourt raced around on the outside in the stretch and, in a fast finish, just got up in time to take third place. Carrollton showed an abundance of early speed, but tired badly in the stretch. Hartford Boy ran fairly well. Dial-plate showed early speed. The winner was entered for \$500; no bid.

Winner—Ch. c, by Service—Innocence (trained by D. Henry).

Went to post at 2:32. At post 6 minutes. Start bad. Won easily; second and third driving. Servicence, favored by the going, wore Major Lawrence down after going a quarter and outstayed Hammetrical in the closing drive. Hammetrical, showing improvement and away fast, ran a good race and finished gamely. Anderson, away in a tangle and taken wide throughout, tried to run out on the stretch turn, but finished well and, with a better start, would have won. Silverado came from a long way back in the last quarter and finished with a rush. Major Lawrence showed speed, but tired fast after going a quarter. Old Hickory ran fairly well and will improve. Dainty Dame got away poorly, but closed a big gap gradually, wore Al Muller down on the stretch turn and won going away. Al Muller beat the barrier many lengths and showed the most early speed, but tired badly in the last quarter. Fry ran into the lead after going a quarter and increased his advantage with every stride, winning eased to a canter. Banrida, away slowly, but favored by the going, closed a big gap, saved much ground when turning into the stretch and finished with a rush. Lignando was in a jam in the early stages, but moved up fast when clear and finished gamely. Merrifield, away fast, followed the leader closely for a half, but tired in the stretch. Gilvedear had to go wide most of the way and was gaining at the end. Beth Goodwin away slowly and poorly ridden, ran far below her best form and can do much better. Charfield, timidly ridden, was probably best, but was kept far back nearly throughout and finished fast. Dario came with a rush through the stretch. Impertinence, left at the post, ran fairly well and, under a strong rider, would have been close up. Ralph Reese and Bank Holiday were beaten off. Woodside was pulled up after taking the last jump. # LATEST PERFORMANCES OF HORSES ENTERED TODAY.

The small figure under "Str." shows the distance the horse was ahead of that next in the race. The small figure under "Fin."—unless the horse won—shows the number of lengths the horse was behind the winner.

The "odds" figures in connection with horses at the present Louisville meeting are the calculations made by Daily Racing Form and based on mutual pools. They are published in such form for the mere purpose of mechanical uniformity.
